Dear Admiral Turner,

Congratulations on your appointment as Director of the C.I.A.

When you reported to Destroyer Flotilla Six I knew you were destined for the top but now you have gone completely over it. Next stop Chairman of the Joint Chiefs of Staff.

We who know you are confident that you will "shape-up" and improve the public image of the C.I.A. and at the same time bring great credit to the military and yourself.

Best wishes and lots of good luck.

Sincerely

Ken Mills
